The purpose of this invitation to quote (ITQ) is to invite vendors to submit their quotations and proposal for renewal of Trend Micro Endpoint Detection and Response subscription.

1. **Existing Subscription**

Existing Subscription for SAAS subscription of Trend Micro Endpoint Detection and Response is due for renewal in September 2022. We would like to invite vendors to quote for 12, 24 and 36 months renewal options.

We intend to Pick up additional cloud apps security subscription from February 2022. We would also like to align the renewal date of this new subscription with the rest to September for the 2nd and 3rd year, understanding the minimum subscription period is 12 months.

2. **Quotation Requirements**

Please provide a breakdown of the cost for all subscription costs including but not limited to the following:

   a. Renewal options of 12, 24 and 36 months September 2022 for the following items:
      i. 251 Smart Protection for Endpoints
      ii. 251 XDR Endpoint and Server
      iii. 251 Managed XDR Detection and Response for users – Advanced
   b. Subscription options of 12, 19 and 43 months of Office 365 Cloud App Security, starting from February 2022.
      i. 140 Office 365 Cloud App Security

3. **Quotation Validity**

Quotations submitted must be valid until **5th February 2022**.

4. **Disclaimers**

ISCA shall be under no obligation to accept the quotation with the lowest quote or enter into correspondence with any vendor regarding the reason for non-acceptance of quotation.

ISCA reserves the right, unless the vendor expressly stipulates to the contrary in its quotation, to accept only such portion(s) of a quotation as ISCA may in its sole discretion decide and the quotation shall be adjusted accordingly.
